Overtime Rules For Playoff Games

In the event of a tie during playoff games, there will be 2 (two) (if needed) overtime

Periods of 3 minute with the clock stopping in the last minute. The overtime period will start with a jump ball. Each team will be allotted 1 (one) timeout per period. Time-outs do not carry over, but team fouls from second half do.

If Still Tied After 2(two) overtimes

If still tied after 2nd overtime, a shoot-out will be done to determine winner. Rules for shoot-out are:

You start with the 5 players on the court at end of overtime. You alternate shot for shot starting with the home team. Each made basket from the foul line counts as 1(one) point. If still tied after the 5 players from each team shoot, the bench players now shoot. Every player must shoot 1 time before another player can shoot 2nd time. Order of shooters stays the same, shot for shot till a winner is decided.
